**COMMENTS INVITED ON APPLICATION OF CLEARTEL  
COMMUNICATIONS, INC. TO DISCONTINUE DOMESTIC  
TELECOMMUNICATIONS SERVICES**

**WC Docket No. 05-105**  
**Comp. Pol. File No. 701**

**Comments Due: March 31, 2005**

**Section 214 Application**

**Applicant: Cleartel Communications, Inc.**

On **March 10, 2005, Cleartel Communications, Inc.** (Cleartel or Applicant), located at **205 West Wacker Drive, Suite 2333, Chicago, Illinois 60606**, filed an application with the Federal Communications Commission (FCC or Commission) requesting authority, under section 214 of the Communications Act of 1934, as amended, 47 U.S.C. § 214, and section 63.71 of the Commission's rules, 47 C.F.R. § 63.71, to discontinue the provision of domestic telecommunications service to its customers located in the western portion of the State of New York. By an amendment filed March 15, 2005, Cleartel corrected certain deficiencies in its initial application. Accordingly, the application is deemed complete and officially filed with the Commission on March 15, 2005.

Cleartel currently provides DSL service for data only (non-voice) Internet access to a dwindling number of approximately forty (40) residential and small business customers in the affected area. Cleartel states that it is no longer economically viable to continue providing DSL service to this shrinking pool of affected customers. Cleartel indicates, however, that the proposed discontinuance will only affect this minor fraction of Cleartel's greater customer base as Cleartel continues to provide a variety of local and long distance telecommunications services in the State of New York and elsewhere. Cleartel adds that it is non-dominant with respect to the service it seeks to discontinue. Specifically, Cleartel states that it provides service to the affected customers using the underlying network of Choice One Communications, and that it is therefore not the provider of last resort for these customers. Cleartel indicates that all affected customers were notified in writing, of the planned discontinuance and availability of alternate DSL service, by letter dated March 9, 2005.

In accordance with section 63.71(c) of the Commission's rules, Cleartel's application will be deemed to be automatically granted on the thirty-first (31st) day after the release date of this public notice, unless the Commission notifies Cleartel that the grant will not be automatically effective. Accordingly, pursuant to section 63.71(c), absent further Commission action, Cleartel may not terminate

service until April 17, 2005. The Commission will normally authorize proposed discontinuances of service unless it is shown that customers or other end users would be unable to receive service or a reasonable substitute from another carrier, or that the public convenience and necessity would be otherwise adversely affected.

This proceeding is considered a “permit but disclose” proceeding for purposes of the Commission’s ex parte rules, 47 C.F.R. §§ 1.1200-1.1216. Comments objecting to this application must be filed with the Commission on or before **March 31, 2005**. Such comments should refer to **WC Docket No. 05-105 and Comp. Pol. File No. 701**. Comments should include specific information about the impact of this proposed discontinuance on the commenter, including any inability to acquire reasonable substitute service.
